

California has free and low-cost preschool programs for 4 year olds.

Pick the Right Program for Your Family.

Where are these programs offered?

These programs are offered at child care centers, homes, and elementary schools.

- ▶ **California State preschool programs take place at child care centers, homes, or elementary schools.** They can be free or low-cost for families who qualify, including those who receive certain benefits or meet income rules.
- ▶ **Transitional Kindergarten (TK) is part of California's public school system and takes place at public elementary schools.** It is free for all four-year-olds.

To learn more about Transitional Kindergarten (TK), visit cauniversalprek.org or reach out to your local school district.
