

California has free or low-cost early learning options for 4 year olds.

Choose a pre-k or preschool program that is right for your family.

- ▶ Free programs for **all** families: Transitional Kindergarten (TK) at local public schools in California.
- ▶ Free or low cost programs for **some** families: Preschool programs - Run at centers or are home-based. They can be full-day or half-day, and the hours and schedules vary based on programs across California.

Looking for more info? Contact a local Child Care Resource & Referral Agency, a group that helps families find child care, to see what you qualify for.
